Habitat For Humanity

There is a church-door collection after all of the Masses this weekend in aid of Habitat for Humanity. We are delighted to welcome their choir whose members will shortly travel overseas to build houses in the Third World.

Church Renovations

The painting contractor has completed work. The electricians have installed new lighting units above each entrance. Cables for the bollard lights along the grass perimeter at the front of the church have also been installed. Fitting secondary glazing on the ground floor doors and windows will be completed this week. Unfortunately the new handrails for the entrance steps are still in manufacture and will not be installed until the end of July. We apologise that two of the entrances will remain closed off until the handrails have been fitted.
